Good morning,

I am writing in response to Rick Karl's letter of February 25, 2015, inviting NCR, among others, to meet with EPA and the State of Michigan on March 17, 2015 at Region 5's offices. Mr. Karl's letter requested a response by today as to whether NCR will attend. Bryan Heath of NCR and I will attend the meeting on behalf of NCR.

Please let me know if you have any questions; otherwise, we will see you on the 17th.
